## **AMDA 2012 GRANT APPLICATION**

**Application Deadline: Friday, September 7, 2012**

Dear Applicant:

The AMDA is excited to announce a research grant opportunity for applicants who are involved in Pompe Disease research. This grant opportunity was made possible by the 2012 Pull for Pompe, a private fundraiser held by the Precast Manufacturer's Association of Texas (PCMA of Texas) aimed at promoting research into Pompe Disease.

The research grant is for a one-time grant of one hundred thousand dollars (\$100,000.00). The entire grant amount must go towards research (no indirect costs).

If you have a proposal for a research project with Pompe Disease as its subject, and would like to be considered for the grant, please complete the attached grant application and return it by **Friday, September 7, 2012**.

In order to be considered for the grant, the proposal must be directly related to Pompe Disease research.
