Genzyme invites the Gaucher, Fabry, Pompe and MPS I communities to a Town Hall meeting

Genzyme Manufacturing Update

Genzyme invites all patients to participate in a forum to discuss recent FDA reports and media attention related to manufacturing operations in Allston, Massachusetts.

Date: Monday, November 23, 2009
Time: 6:00 PM – 7:00 PM (EST)
US Toll Free: 1-800-369-3331
US Toll: 1-312-470-7363
Passcode: Town Hall

To accommodate the large number of anticipated participants, an operator assistant will help you join the call starting at 5:30pm (EST), and will place you on hold until the teleconference begins.

We also recommend submitting your questions in advance of the call by sending an email to: TownHall@genzyme.com

The Town Hall teleconference will be recorded.
